

# WFPSA Cross Country Course 2012

## Te Aroha

Attached is the best map I could source of the wetlands. The **blue line** is where the wetlands itself and the **black line** is a rough guide of where the students will run around the park.

Year 7's will run only half a lap around Boyd Park and then enter the wetlands at point A and exit at point B.

Year 8's will run one lap of Boyd Park and then enter the wetlands at point A and exit at point B.

Year 7 = 3.2km

Year 8 = 3.6km
